History to Discover

Niagara-on-the-Lake is renowned for its history—it was the first capital of Upper Canada, the first library, newspaper, golf course, passed the first anti-slavery legislation—and was the site of many of the important battles of the War of 1812, which established our country. There are many exciting events, re-enactments and celebrations in the planning stages that will commemorate some of the historic events that helped form Canada

200 years ago.

The town itself, now a National Historic District, was settled by American Loyalists who fled to Niagara during the American Revolution. Then, in the days leading up to the War of 1812, Fort George became a stronghold with a British military base and residents found themselves within range of enemy cannons at Fort Niagara, just across the river. The troops of Fort George crushed an

American invasion at Queenston Heights in October of 1812, but lost brilliant military strategist General Isaac Brock. The Americans attacked again the following May, destroying Fort George and taking the town. That December, the Americans retreated, burning the town as they went.

Fort George was rebuilt in the 1930s as a monument to the epic struggle for Canadian sovereignty. The well-versed staff of Parks Canada help bring the fort to life through authentic costumes and demonstrations of food, music, and military training.

Discover why McFarland House on the Niagara Parkway was the sole property to survive the town's infamous burning. Hear the truth behind Laura Secord's midnight walk to alert the British of pending invasion by visiting her Queenston homestead. Visit Brock's monument at Queenston Heights and discover how one general could rate four separate burials.

Contact 905-468-6618 or 905-468-6614 for more information or visit www.niagaraparks.com/heritage.

Discover Canada's Prettiest Town

Niagara-on-the-Lake has officially been designated the prettiest town of its size in Canada.

The Old Town, a national heritage district, is a centre of culture and commerce surrounded by a rich agricultural area of orchards and vineyards—a postcard-perfect landscape for visitors to enjoy.

For those who have had a chance to see the floral displays around town, the lovingly-tended heritage buildings and cultural hotspots, on Queen Street, in municipal parks and throughout residential neighbourhoods, the 'Prettiest Town' designation comes as no surprise.

Keep your camera handy. You're sure to have beautiful photos to show friends and family back home.

Discover the Chamber of Commerce

One of the most popular stops on Queen Street—plan on making it your first stop—is the Niagara-on-the-Lake Chamber of Commerce and Visitor and Convention Bureau.

The Chamber has all the information you need to make the most of your visit. Whether you are looking for the best place for dinner before a show, tickets for any number of events or directions to the intriguing estate winery next on your tour, the Chamber can help.

Located in the Court House—the same building as one of the Shaw Festival theatres—across from the Cenotaph Clock Tower in the Old Town, the Chamber of Commerce offers an array of services, including assistance with accommodation bookings and event ticket distribution.

From pre-planning services to on-the-spot advice, the professional staff at the Chamber can assist with all aspects of vacation planning, all with their trademark courteous efficiency

to help make sure your visit runs smoothly.

Visit the Chamber website at www.niagaraonthelake.com for a list of special events throughout the year, places to stay and information on special deals and packages offered by Niagara-on-the-Lake business owners. Stop in at 26 Queen Street, in the lower level of the Court House, or call 905-468-1950.

The Chamber is open daily from 10 a.m. to 7:30 p.m. from May to October, and 10 a.m. to 5 p.m. from October to May.

How to find us

There is so much to discover once you're here, that thankfully we are not hard to find. Our most popular route into town runs from the Queen Elizabeth Way (QEW).

Take the Glendale Avenue exit off the QEW to Niagara-on-the-Lake, then follow signs to connect to Regional Road 55 by turning left on to York Road, then make a right at the first set of lights to take Airport Road, the shortest path to Regional Road 55, which is called "Niagara Stone Road" locally. Turn right onto Stone Road and enjoy the scenery of lush vineyards and the bustling commerce of Virgil before you arrive at Queen Street in the Old Town. When you get to the end of the road, with the golf course and the lake ahead of you, turn right to get to the heart of the Old Town and the Shaw Festival theatres.

Once you're within the municipality, please check the map on Page 16-17 to navigate your way around town. Detailed driving directions are also available from the Chamber of Commerce.

Line-ups at border crossings can cause delays, and traffic on the QEW from Toronto is often heavy. Allow at least two hours for your drive from Toronto, especially if you have theatre tickets. For border wait times, visit www.cbsa.gc.ca or contact the Niagara Falls Bridge Commission at 1-800-715-6722 (press option 2) for traffic conditions on bridges at Queenston - Lewiston, Niagara Falls and Buffalo - Fort Erie, Peace Bridge.

Discover Shaw Festival's 50th Season

My Fair Lady is on stage at the Shaw Festival Theatre until October 30.

As the Shaw Festival commemorates its 50th season, celebrations are aimed at honouring the past and looking to the future.

This season's varied playbill, fashioned to reflect those goals, represents what has made the Shaw Festival the cultural icon that it has become and what it hopes to achieve.

It is also designed to show the world why the festival should be around for another 50 years.

Those who call Niagara-on-the-Lake home know well the story of the festival's modest beginnings: Brian Doherty, a local lawyer, passionate about the theatre and

looking for a way to liven up the summer months, decided 1962 Niagara-on-the-Lake was the time and place to play homage to George Bernard Shaw. His commitment to the concept led to the staging of two Shaw plays over eight weekends in the Court House that summer.

In the intervening decades, one small stage grew to four theatres; two productions expanded to 10 to 12 plays by Shaw and his contemporaries each season; a broadened mandate embraced new playwrights; and an international reputation attracts more than 250,000 audience members each year.

... Discover the Shaw

The Festival Theatre, on Queen's Parade, is where major works are shown. It includes a retail shop, a cafe, a rehearsal studio and a patio surrounded by beautiful gardens.

This season, the Festival Theatre will present Bernard Shaw's Heartbreak House, The Admiral Crichton, by J.M. Barrie, and for the first time on stage at the Shaw, My Fair Lady—the enduring classic that combines unforgettable music with Shaw's much-loved Pygmalion.

The Court House Theatre, on Queen Street across from the Clock Tower, combines a 327-seat auditorium with an intimate stage in an historic building of the 1840s.

Candida is at the Royal George Theatre until October 30.

Marking the 50th season at the Court House Theatre is Lennox Robinson's Drama at Inish – A Comedy; also Maria Severa, a play about the mother of fado, premieres after four years in development; and a new version of Shaw's On the Rocks by Michael Healey is on offer.

Across the street and down the road from the Court House is the Royal George Theatre with its lovely Edwardian gilt mouldings, red walls and golden lions.

Built as a vaudeville house in 1915, it entertained troops during the First World War, later operated as a road house and then a cinema, and was purchased by the Shaw

and restored to a 328-seat theatre.

At the Royal George for the 2011 season is Bernard Shaw's *Candida*, the comedy about marriage that was the first season's first show at the Court House in 1962.

Also at the Royal George, feel the heat rise with Tennessee Williams' *Cat on a Hot Tin Roof*, and celebrate the season with the return smash hit *The President*, the lunch-time one-act fast-paced comedy.

The newest performance space for the Festival is the Studio Theatre, within a production centre that opened in 2004.

Located beside the Festival Theatre, the 200-seat theatre will offer *TopDog/Underdog*, a Pulitzer Prize-winner by Suzan-Lori Parks, and *When the Rain Stops Falling*, a timeless drama by Andrew Bovell which Time Magazine called "easily the best new play of the year."

The 2011 season, promises artistic director Jackie Maxwell, pays homage to the past but just as importantly looks forward to the next 50 years, "bringing you new worlds, new playwrights and new visions of Shaw himself."

Heartbreak House is at the Shaw Festival Theatre until October 7.

Shopping to Discover

Queen Street, the heart of the shopping district, is packed with interesting boutiques and friendly people throughout the year.

Art shops and galleries, bakeries and book stores, home and garden, fashion for men, women and children, regional specialties, seasonal offerings and treasures to remind you of our charming town can be found in beautifully preserved and restored historic buildings.

And don't forget to explore side streets which also offer specialty shops and hundreds of ways to take home reminders of Niagara-on-the-Lake.

To pick up a quick picnic lunch, hot or cold, or for any groceries or sundries you may need, you'll find Hendricks Valu-mart on Queen near Gate Street.

Outdoors to Discover

There are many ways to enjoy the outdoors or tour Niagara-on-the-Lake, and several establishments to help you.

NIAGARA CLASSIC TRANSPORT

Niagara Classic Transport, headquartered in Niagara-on-the-Lake, offers Canada's most unique, impeccable, innovative, and diverse collection of vehicles, driven by licensed chauffeurs and specializing in weddings, special occasions, conferences, airport transportation and more. Niagara Classic can provide a Rolls Royce Silver Cloud—choose from silver, black or ivory—a White Bentley or Royal Daimler for weddings, several choices of stretch limousines, shuttles, SUVs or passenger buses for special events, or authentic London cabs for bed and breakfast pick-ups, premium wine tours or scenic trips around town in style. Call 905-468-4132, or visit www.nctcanada.com.

RECREATIONAL TRAILS

There are two main trails which run through NOTL and meet in the Old Town. One is the NOTL portion of the Waterfront Trail, which begins shortly past the Port Weller Bridge on Lakeshore Road, continues to East and West Line and begins again at Mary and Mississauga Streets, travels along Mary, and across King to John Street and the Niagara River Parkway, where the Niagara Parks Commission has a staging area and parking lot.

It then meets the Niagara River Recreational Trail, which winds along the river and the Niagara Parkway, through the historic village of Queenston and up the escarpment, for the full 56-kilometre length of the trail from NOTL to Fort Erie.

Ebike Rentals

If you can ride a bicycle, you can ride an ebike—in fact it's even easier, with no pedalling involved. Also no gears or clutch to worry about, and no driving licence is required. Ebikes travel at speeds up to 32 kilometres an hour, and the charge will take you about 60 kilometres, although you're asked to stay within a 12-kilometre radius of Old Town Niagara-on-the-Lake.

That's far enough to tour our local wineries. And you can enjoy our beautiful bike paths—Ontario laws treat ebikes as they would a traditional bike, although pedestrians like to be warned when one is passing—the ebike is just as quiet as a bicycle. That means if you are on a quiet country road, you can listen to the birds sing, or enjoy a conversation with your companion.

A gauge on the bike gives lots of warning if the charge is running out, so there won't be any unwelcome surprises. It can be recharged overnight.

You can choose between something light that looks like a bicycle with a battery, or one a little sturdier that resembles a scooter. A helmet is supplied.

Riders must be 16 or older, and a security deposit is required. For more information call 289-271-0663, drop in to 376 Mary Street, or visit www.eskoot.com.

NIAGARA WINE TOURS

Wine tours are available daily by bicycle and passenger vehicle. Cycle on quiet country roads or the recreation path alongside the Niagara River. Enjoy a picnic lunch in a beautiful winery vineyard. Cycle tours include bicycle, guide, wine tastings, picnic lunch and pick-up of purchases. Daily passenger vehicle tours with local guide, three-course lunch or dinner, and afternoon tours with visits and wine tastings offer an inside look at the wine region. Call 1-800-680-7006, 905-468-1300, visit www.niagaraworldwinetours.com or drop into 92 Picton (next to the Shaw Club Hotel).

TOUR IN COMFORT

Historic Old Town tours are available from Sentinel Carriages at the corner of King and Queen Streets, with drivers who offer guided tours in horse-drawn carriages.

Discover the wedding experience

There are many reasons to choose Niagara-on-the-Lake for the site of your destination wedding—the connections to history, historic churches, winery settings and breathtaking backdrops for bridal photographs.

Niagara-on-the-Lake has it all: romance, ambience, stylish limousines, charming horse-drawn carriages, first-class accommodation and reception rooms, renowned photographers, florists, musicians, caterers, wedding boutiques and hair salons.

Whether the bride-to-be is looking for a ceremony out in the vineyards or a reception in historic Navy Hall, site of the first government of Upper Canada, there's a location to set the right tone.

Whatever the site, Niagara Classic Transport can get you there. They are committed to making dreams come true, with packages that can include everything from the initial planning to the farewell airport drop-off enroute to your honeymoon, offering the choice of elegant limousines, including classic Rolls, Bentleys or Daimlers—visit www.nctcanada.com.

There's also a wealth of knowledge and experience: both at the Chamber of Commerce, and in the range of local professionals experienced in making memorable occasions.

The Court House is available for weddings from November to March. Contact the Town of Niagara-on-the-Lake at 905-468-4261 for bookings and inquiries. The Town also takes bookings for wedding photography at its most popular sites, like the picturesque gazebo overlooking Fort Niagara and the Niagara River where it meets Lake Ontario.

The town's beautiful churches are also popular wedding sites, and local ministers welcome the opportunity to officiate wedding ceremonies for visiting couples.

Vintage Hotels offers three wedding locations: Queen's Landing, Pillar and Post and Prince of Wales are all renowned four-diamond hotels with individual charm and personality. Queen's Landing, with its Georgian style and grand sweeping staircase, is perfect for a romantic wedding. Pillar and Post is a favourite for those

seeking a more casual, warm country setting and has a stunning rose garden ideal for smaller outdoor ceremonies. Victorian tradition abounds at the Prince of Wales, resulting in a spectacular formal event.

Though summer nuptials are popular, don't overlook Niagara-on-the-Lake's winter beauty. Couples can wed in a winter wonderland with a special Winter Wedding package available November to April at Vintage Hotels.

For information, call 1-888-669-5566 or visit www.vintage-hotels.com.

Discover great places to live

Niagara-on-the-Lake is a special place to live, and deserves its designation as one of the prettiest towns in Canada.

Flowers bloom a week or two earlier here than they do anywhere else in Ontario, and the golf season lasts longer.

Then, of course, there are the fine Niagara wines, and the fabulous SBaw Festival.

Reminders of the town's storied past are respectfully maintained. Old Town century homes are architectural treasures, and new homes receive the same careful treatment.

At The Village, the award-winning community by Brookfield Homes and Traditional Neighbourhood Developments, all new homes

reflect a building scheme to reinforce the town's architectural heritage.

The Village is a showplace of the same "Old

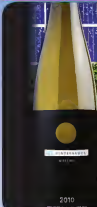

Ontario" architectural details that make the Old Town so interesting.

The Village is Canada's best example of New Urbanism and with the award-winning Brookfield Homes, the 2010 Builder of the Year, excellence is ensured in design and construction.

Whether it's a home in The Village, the Old Town or surrounding communities, there are many reputable real estate agents to help you, including Niagara-on-the-Lake Realty at 109 Queen Street.

If you have ever dreamed of living in an ideal community, Niagara-on-the-Lake could make that dream a reality.
